Spanish I Final Exam Test Format

- 150 Questions (all can be done on a scantron i.e. True/False, Multiple Choice)
- There are several versions of the test so the following could be in different orders on the version you receive.
  - 39 True/False
  - 67 Multiple Choice
  - 10 True/False based on a provided family tree
  - 5 Multiple Choice based on a schedule
  - 5 True/False based on two paragraphs you must read in regards to classes and school schedules
  - 10 True/False based on a note from a student to their counselor about their classes
  - 5 Multiple Choice based on four short notes from students about their upcoming plans
  - 9 Multiple Choice about a reading about a family

- Being that the exam is multiple choice and true/false, in order to do well, you must recognize vocabulary and the meaning of short, simple sentences. Spelling will not hinder you but you MUST know the vocabulary.
- Use cognates and context clues to help you!!!
- Narrow the answer choices down as much as possible.
- ASK QUESTIONS DURING CLASS THIS NEXT WEEK!!!!! I want to help you as much as possible!
