Each group should have THREE or FOUR members.

Each group member will be grading the other members of the group so EVERYONE should take responsibility in completing the project!

You need to assign a:
Model: The person who will be videoed and must dress the part in whatever your group decides. Hopefully, they will show some personality on the runway.
Commentator: The person who reads the sentences in Spanish describing what the model is wearing.

Today, ALL PLANNING MUST BE DONE.

Checklist:

- Assign roles of the group.
- Plan your outfit.
- Write your sentences about the outfit.
- Practice pronouncing the sentences.
- Make sure there is an extra copy of the sentences for Mrs. Echel.
- DO NOT FORGET THE CLOTHES TOMORROW!!!
